

QGFA ANNUAL TROPHIES -UPTO 2024

The Annual trophies contested for the QGFA are broken in to 2 broad categories:-

- Perpetual Trophies, and
- QGFA All Ports Interclub Championships Trophies

The Perpetual trophies reflect on the Angler, Boat and Club effort over the entire year, all except two of these perpetual trophies are determined by annual points score based on fishing results that are entered into the QGFA GAMEBASE system. The Junior Encouragement Award is a Perpetual trophy that is not based on point score, but instead is awarded to a junior/small fry who has been nominated by their Club to encourage further fishing effort (not to reward fishing achievements). Nominations for the Junior Encouragement Award are submitted by the club with a short statement on why the person should be awarded the trophy and the winner is chosen by the Q.G.F.A. President. The only other Perpetual Trophy that is not based on point score is the Club Participation Trophy that is awarded to the club the has the highest percentage of their membership involved in at least 1 activity entry in GAMEBASE for the year.

The All Ports Interclub Championships trophies are based on an accumulation of points scored during the All Ports Tournament. The All Ports Tournament is run in two rounds with each club nominating the weekend that they will fish each round. The club nominates which weekend it wishes to fish as a round of the tournament by nominating the boats and anglers by the Friday night before the weekend the club intends to fish. Round 1 and Round 2 may be fished any time between 1 July and 15 June of the following year. There must be a minimum period of ONE calendar month between rounds. Clubs can choose to fish Round 1 only, Round 2 only or both rounds.

Perpetual Trophies and QGFA ALL Port Interclub Championships use the same QGFA point score system.

The table below shows when each of the trophies were introduced the QGFA presentations.

QGFA JUNIOR ENCOURAGEMENT AWARD

Trophy Donated by Capt. Brian (Spike) Kirkby in 1996

The Junior Encouragement Award is one of only two Perpetual trophies that is not based on point score, but instead is awarded to a junior/small fry who has been nominated by their Club to encourage further fishing effort (not to reward fishing achievements). Nominations for the Junior Encouragement Award are submitted by the club with a short statement on why the person should be awarded the trophy and the winner is chosen by the Q.G.F.A. President.

This is the longest running perpetual trophy in the QGFA that is awarded to an individual.
